GENERAL DEBATE – IMPORTANT INFORMATION

- Seating arrangements in view of high attendance – Hall of Fame (Plenary). On the basis of seats available at desks, most delegations will be allocated four seats (two at desks). Where possible, delegations with six or more MPs led by a Speaker of Parliament will have one additional desk seat. Members entitled to 10-MP delegations will have a total of six seats (three at desks). Single-member delegations and Observers will have one desk seat. Additional seating is available in the gallery of the Hall of Fame.

- Interpretation. Delegates may, exceptionally, use another language provided that they arrange for their speech to be interpreted into one of the IPU’s official languages by a member of their delegation who will be given access to an interpretation booth. To allow for all necessary arrangements to be made in good time, delegations should contact, well in advance, the Chief Interpreter (Ms. F. Steinig-Huang) through the English booth interpreters assigned to the meeting at which the speech will be delivered. Moreover, eight copies of the translation of the speech into one of the IPU’s official languages should be given to the Chief Interpreter or to the English booth for distribution to the other interpreters. Electronic copies of speeches should be e-mailed in PDF format to speeches@ipu.org, a minimum of three hours before the speech is to be made, so as to also ensure a high quality of simultaneous interpretation into the other working languages.

- Publication of speeches: As far as possible, the texts of official statements delivered in the General Debate will be published on the Assembly web page and be part of the records of the Assembly. Due to technical limitations, only speeches in English, French and Spanish will be published. Please note that the IPU Secretariat is not in a position to translate the texts of speeches.
