#### GENERAL DEBATE – IMPORTANT INFORMATION

**Seating arrangements in view of high attendance – Dumsky Hall (Plenary):** Due to the architectural constraints of the Hall, the seating set-up cannot be modified and seating is limited. Each delegation will be allocated a maximum of four seats. As there is no second row of chairs, advisers and secretaries should sit next to their parliamentary delegates, wherever possible. Additional seating is available in the gallery of Dumsky Hall on the first floor.

**Interpretation:** Delegates may, exceptionally, use another language provided that they arrange for their speech to be interpreted into one of the IPU's official languages (English and French) by a member of their delegation who will be given access to an interpretation booth. To allow for arrangements to be made in good time, delegations should contact, well in advance, the Chief Interpreter (Ms. F. Steinig-Huang) or the English booth interpreters assigned to the meeting at which the speech will be delivered. Moreover, eight copies of the speech translated into one of the IPU's official languages should be given to the Chief Interpreter or to the English booth for distribution to the other interpreters. Electronic copies of speeches should be e-mailed in PDF format to [speeches@ipu.org](mailto:speeches@ipu.org), a minimum of three hours before the speech is to be made, so as to ensure a high quality of simultaneous interpretation into the other working languages.

**Publication of speeches:** The texts of official statements delivered in the General Debate (English, French and Spanish) will be published on the Assembly web page and be part of the records of the Assembly. Please note that the IPU Secretariat is not in a position to translate the texts of speeches.
