# Summit of Women Speakers of Parliament

## United for shaping the future

Emirates Palace, Abu Dhabi, 12 - 13 December 2016  
Organized by the Federal National Council and the Inter-Parliamentary Union

The Summit aims to provide a platform for women Speakers of Parliament to discuss issues of common interest, share experiences and identify collective and individual action to be taken.

Each session of the Summit will focus on a theme that will be introduced by a panel of women Speakers and invited panellists.

Please choose three sessions from those listed below in which you would like to participate as a panellist. Where possible, we will allot sessions according to your stated preferences. We will also aim for each panel to have a balanced mix of participants from across the world.

At the session in which you participate as a panellist, you will be invited to make a four-minute statement. Your statement will set the tone for the interactive debate among women Speakers and other participants that will then follow.

Please return this registration form no later than **20 October 2016**.

Please note that signing up to be a panellist under a specific session does not stop you from participating in the debates of any other sessions. You are encouraged to ask questions and contribute to the debates at other sessions of the Summit in addition to the one at which you will make a statement and participate as a panellist.
