Discussion

---

**FRIDAY 28 MAY**

9 a.m. - 1 p.m.

▶ **Session III: The determining role of parliaments in combating trafficking in children for labour exploitation : Protecting - Preventing - Ensuring the enforcement of international standards to eliminate this scourge**

Following discussions about what has been done so far to combat child trafficking and labour exploitation, this segment will be devoted to strengthening parliamentary action at the national level in view of coordinating efforts among the parliaments involved in this project.

To that end, three key actions will be identified: protection, prevention and law enforcement. Protective measures also include assistance with the rehabilitation of the victims of trafficking in children

- **Creating and strengthening a legislative framework based on protection and prevention**

Presenter: To be announced.

- **Effective enforcement and follow-up of laws against trafficking in children and labour laws both at the national and regional levels: necessary cooperation between parliament and other stakeholders**

Presenter: To be announced.
