PRACTICAL INFORMATION

Geneva, 13-14 June 2016
Date and venue

1. The 2016 Annual Session of the Parliamentary Conference on the WTO will be held on Monday, 13 June, and Tuesday, 14 June, at the WTO Headquarters in Geneva (see map on page 4). The meeting room is located in the CR-building which is the modern edifice next to the WTO's main entrance.

2. An inaugural ceremony will take place at 3 p.m. on 13 June and will be followed by plenary working sessions. The morning session will start at 10 a.m. and finish at 1 p.m., whereas afternoon sessions will start at 3 p.m. and finish at 6 p.m.

Participation and registration

3. Participation in the Annual Session of the Parliamentary Conference on the WTO will be guided by the general principles set out in Article 2 of the Rules of Procedure of the Conference.

4. As a rule, the number of MPs in each national delegation should not exceed five. Observer delegations should be in principle limited to two persons.

5. In order to ensure the success of the session, it is of paramount importance that each parliament nominate MPs who are directly involved in parliamentary activities dealing with international trade and especially WTO negotiations.

6. All delegates are kindly requested to complete and submit the enclosed registration form which is also available on the IPU website at http://www.ipu.org/splz-e/trade16/registration.pdf. The form should be returned to the Secretariat of the Inter-Parliamentary Union by 30 May 2016 at the latest. Any modifications concerning the composition of the delegation should likewise be communicated to the IPU Secretariat.
7. The Registration Desk will be located at the entrance of the WTO compound and will be open on both 13 and 14 June, from 10 a.m. to 6 p.m.

8. For identification and security reasons, all delegates are requested to wear their identification badges at all times during the session and at social functions.

**List of Delegates**

9. A provisional List of Delegates will be distributed at the beginning of the session. This list will be issued on the basis of confirmations received by the IPU Secretariat by the registration deadline of 30 May (possible changes will be accepted up to 6 p.m. on Friday, 10 June). Delegations are kindly requested to report any changes in the provisional list to the Registration Desk. A revised list will be published on the IPU website after the session.

**Working modalities**

11. A detailed work programme of the session will be circulated in advance of the Conference and published on the IPU website.

12. All panel discussions, hearings and debates on substantive themes will take place in plenary. The debate on each substantive theme will be launched by rapporteurs who will have some eight minutes each to present their discussion papers. Delegates can participate in the debate either by making brief statements or by asking questions. The debate will be interactive; no formal statements will be delivered and no list of speakers will be drawn up in advance. The order of interventions and questions will be decided by the Chair.

13. The draft outcome document of the session will be prepared by the Steering Committee and communicated to the participants in advance of the session, in accordance with Art. 7.1 of the Rules. Specific arrangements concerning the submission of amendments to the draft (Article 7.2 of the Rules) will be announced on the spot.

**Languages**

14. Simultaneous interpretation will be provided in Arabic, English, French and Spanish. Official written documentation of the session will be available in English and French only.

**Documents**

15. The only official documents of the session will be its programme, agenda, the list of delegates, discussion papers prepared by the rapporteurs, the draft outcome document elaborated by the Steering Committee and information notes prepared by the Secretariat. WTO may provide background documents for distribution to delegates upon registration.

16. Should participants and observers wish to distribute their own documents or other material pertaining to the agenda of the session, they may use a table provided for that purpose in the immediate vicinity of the meeting room.

**Information Desk**

17. The Information Desk, situated near to the entrance of the meeting room, will distribute session documents and handle messages for delegates. Lost property may be turned in or claimed at this Desk.
Official reception

18. Details concerning the official reception, to be held in the evening of 13 June on WTO premises, will be provided on registration.

Visas

19. Attention is drawn to the strict provisions in force regarding entry into Switzerland, which is part of the Schengen zone. Delegates requiring an entry visa to Schengen States must obtain it from the Swiss consulate or diplomatic mission responsible for the necessary arrangements in the delegates’ country of residence.

Hotel accommodation

20. Delegates are responsible for their own hotel expenses. In view of the fact that several major international meetings are taking place in Geneva in the month of June 2016, it is imperative that hotel reservations be made as soon as possible. Booking of rooms can be done on-line (http://www.geneve-tourisme.ch/en/accommodation/hotels/) through the website of the Geneva Tourism Office.

21. Delegations from countries having a Permanent Mission in Geneva can make their hotel reservations through their respective Mission. The Missions are used to receiving national delegations to UN meetings and to handling hotel reservations for them and many have signed preferential tariff agreements with hotels close to the WTO.

Local transport and taxis

22. The WTO is right across the street from the final stop ("Jardin Botanique") of bus no. 1, which leaves from the city centre (train station "Cornavin" and Place Bel-Air). From the airport, hop on bus no. 28 to the final stop ("Jardin Botanique"). Tickets must be purchased and validated before entering buses or trams. Individual tickets are available from vending machines at main bus stops, and cards for multiple trips can be purchased at a reduced rate from newsagents in town bearing the "TPG" (Geneva transport service) sign.

23. In Geneva, taxis are only available on call and cannot be hailed in the streets. There are taxi ranks in almost all main squares in Geneva. Taxis can be called by telephone by dialling the following local numbers: 022 320 2020, 022 320 2202 and 022 331 4133.

Requests for further information
