## 12<sup>th</sup> Summit of Women Speakers

### Women Speakers: Working so every voice counts

Centro Empresarial Torres CAINCO, Santa Cruz, Bolivia  
6-7 December 2017

Organized by the Chamber of Deputies of Bolivia and the Inter-Parliamentary Union

The Summit aims to provide a platform for women Speakers of Parliament to discuss issues of common interest, share experiences and identify collective and individual action to be taken.

Each session of the Summit will focus on a theme that will be introduced by a panel of women Speakers and invited panellists.

Please provide *three options for sessions* from those listed below in which you would like to speak on a panel. Where possible, we will allot a session according to your stated preferences. We will also aim for each panel to have a balanced mix of participants from across the world.

The sessions will be run as panels, and at the session in which you participate as a panellist, you will be invited to make a four-minute statement followed by debate by the panel. Your statement will set the tone for the interactive debate among women Speakers and other participants that will then follow.

Please return this registration form no later than **25 November 2017**.

Please note that signing up to speak at a panel under a specific session does not stop you from participating in the debates of any other sessions. You are encouraged to ask questions and contribute to the debates at other sessions of the Summit in addition to the one at which you will make a statement and participate as a panellist.
